Commencement Speaker

Senator David H. Pryor

The University of Arkansas is honored to have as its Commencement speaker The Honorable David H. Pryor of Arkansas.

Senator Pryor was a United States Senator 18 years before retiring at the end of his term in January. A two-term Governor of Arkansas and a three-term Congressman, he is perhaps the most popular public servant in the state. This spring he enriched the University of Arkansas campus by serving as the Fulbright Distinguished Fellow of Law and Public Affairs.

In addition to serving as speaker, Senator Pryor also will be awarded an honorary Doctor of Laws Degree during the Commencement ceremony.

The University Mace and Batons

The mace and batons are symbols of the authority and history of the University and are made from balusters from the original main staircase of Old Main, erected in 1875, the oldest University building now standing. The batons are carried by members of the faculty who have served as chairs of the Campus Council or the Campus Faculty. The mace is carried by the chief marshal, who is the current chair of the Campus Faculty.

Marshals' Gowns

The gowns worn by the marshals are of the traditional University color, cardinal red.

Honor Stoles

White or cardinal stoles denote students who are candidates for University Honors. Cardinal represents Honors (*cum laude*) and white represents High Honors (*magna cum laude*). White stoles with cardinal and white cords represent Highest Honors (*summa cum laude*).

Academic Regalia

The styles of gowns differentiate degree level. Trim of doctoral gowns indicates nature of degree (black or dark blue—Ph.D.; light blue—Ed.D.). Certain members of the faculty wear distinctive gowns and hoods authorized by their doctoral institutions. The lining of the hood denotes the color(s) of the institution awarding the degree. The official colors of the University of Arkansas are cardinal and white.

The color of the velvet band around the hood designates the academic degree of the wearer. Some examples are listed below:

Agriculture	Maize	Medicine	Green
Architecture	Blue Violet	Music	Pink
Arts and Letters	White	Nursing	Apricot
Business and Bus. Admin.	Drab	Pharmacy	Solid Green
Economics	Copper	Philosophy	Dark Blue
Education	Light Blue	Physical Education	Sage Green
Engineering	Orange	Public Administration	Peacock Blue
Fine Arts	Brown	Public Health	Salmon Pink
Forestry	Russett	Science	Golden Yellow
Home Economics	Maroon	Social Science	Cream
Humanities	Crimson	Social Work	Citron
Journalism	Crimson	Speech	Silvery Gray
Law	Purple	Theology	Scarlet
Library Science	Lemon Yellow	Veterinary Science	Gray

The University Song

In 1909 a prize of fifty dollars was offered for the best poem relating to the University of Arkansas which should be capable of being set to music and used as a college song. Out of many entries, that of Mr. Brodie Payne '06, of Hot Springs won the prize. The words were set to music by Professor H. D. Tovey, Director of the Conservatory of Music and Art at the University.

Alma Mater

Pure as the dawn on the brow of thy beauty
Watches thy soul from the mountains of God
Over the Fates of thy children departed
Far from the land where their footsteps have trod.
Beacon of Hope in the ways dreary lighted;
Pride of our hearts that are loyal and true;
From those who adore unto one who adores us—
Mother of Mothers, we sing unto you.

We, with our faces turned high to the Eastward
Proud of our place in the vanguard of Truth,
Will sing unto thee a new song of thanksgiving—
Honor to God and the Springtime of Youth.
Shout for the victory or tear for the vanquished;
Sunshine or tempest thy heart is e'er true;
Pride of the hills and the white-laden Lowlands—
Mother of Mothers, we kneel unto you.

Ever the Legions of Sin will assail us,
Even the Battle in Cities afar;
Still in the depth will thy Spirit eternal
Beckon us on like a piloting Star.
Down the dim years do thy dead children call thee,
Wafted to sleep while the Springtime was new;
We, of the Present, thy Hope of the Future—
Mother of Mothers, we pray unto you.

The University Seal

The Seal of the University of Arkansas is affixed to each diploma and is stamped in gold on each diploma cover. The central element in the Seal is the front entrance to Old Main, the oldest building on the campus.

HONORARY DEGREES

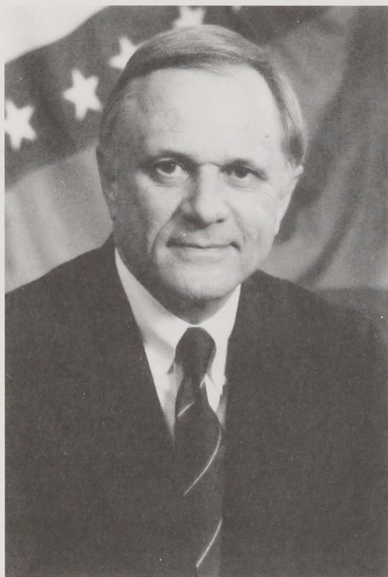

Doctor of Laws

David H. Pryor

Doctor of Science

Perry L. Adkisson

Honorary Doctor of Laws Degree

David H. Pryor

From his modest roots in Ouachita County to the halls of the U.S. Senate, The Honorable David Pryor has given Arkansans and the nation public service of the highest quality.

Senator Pryor has been one of the most influential advocates in Washington for older Americans. He has been a nationally recognized leader in the fight to save Social Security, to reform the nursing home industry, to bring down prescription drug prices, and to make government institutions preserve the dignity of senior citizens. As a member of the Senate Finance Committee, Senator Pryor wrote the "Taxpayer Bill of Rights," guaranteeing basic individual rights for taxpayers when they deal with the Internal Revenue Service.

As Fulbright Distinguished Fellow of Law and Public Affairs at the University of Arkansas this spring, Senator Pryor has met with students, talked to classes and brought distinguished speakers from government and politics to the campus.

Senator Pryor holds bachelor's and law degrees from the University of Arkansas, Fayetteville, and received the Citation of Distinguished Alumni, the highest award given to UA alumni.

Honorary Doctor of Science Degree

Perry L. Adkisson

Dr. Perry L. Adkisson of College Station, Texas, the Regents Professor of Entomology at Texas A&M University, was Chancellor of The Texas A&M University System from 1986 to 1990. After stepping down as Chancellor, he served as Executive Director of the George Bush Presidential Library Center for two years.

Dr. Adkisson has been a prolific researcher whose grants and contracts have brought several million dollars to Texas A&M. He has published nearly 200 scholarly articles and presented numerous lectures to universities and research institutions around the world. He co-developed one of the first successful artificial diets for rearing phytophagous insects for use in the laboratory. The diet can be found in practically every laboratory in the world where insects are reared, and the paper describing it is the most cited publication in its field.

A native of Hickman, Arkansas, Dr. Adkisson holds bachelor's and master's degrees from the University of Arkansas, Fayetteville, and a doctorate from Kansas State University. He was a Senior Postdoctoral Fellow at Harvard University. He has received many prestigious national and international awards and recognition, including the Citation of Distinguished Alumni, the highest honor given to University of Arkansas alumni.
